

## **James S. Wildman Memorial Scholarship**

The James S. Wildman Memorial Scholarship was established in honor of Prosser High School graduate James Wildman, class of 2012; at the age of 23, James Wildman was killed in a car accident on his way back to Prosser after a long day of snowboarding at White Pass.

James was known to his friends and family as a fierce competitor and athlete, who was, nevertheless, always around to help those that needed him. These attributes made James the ideal firefighter; something he long dreamed of becoming. In the year prior to his death, James earned his EMT Certification, while developing a reputation for competence and bravery as a seasonal firefighter for West Benton Fire & Rescue. James' ambition prompted him to apply to fire departments from Seattle to Spokane; he was clearly passionate in his desire to advance his firefighting career.

The James S. Wildman Memorial Scholarship aims to support individuals with similar goals directed at lifelong selfless service. Anyone with the ambition to work in public safety or health care is encouraged to apply.
